

ReThink

There's a better way.

RAV-CA-USB/3m

Technical Specification

RAV-CA-USB/3m

USB3.2 Gen2x2 Type-C cable, 3 metres

Key Features

- Supports 100W power delivery.
- Supports data transfer rate up to 20Gbps.
- Supports video resolutions up to 4K@144Hz.
- One end with screw tooling to ensure secure locking.
- Compatible with USB 3.2 Gen1 / USB 2.0 / USB 1.1.
- Thunderbolt 3 port compatible.

Specifications

Connector

Connection Socket	USB Type-C Male
Connector Plating	Nickel plated
Connector Shield Material	Tinplate
Housing Material	TPE

Cable

Cable Jacket Material	TPE
Conductor Material	OFC Copper
Jacket Diameter	6.0mm
Cable Gauge	28AWG/30AWG/30AWG/22AWG
Cable Shield Material	Tinned Copper

Performance

Power Delivery	100W
Data Transfer	20Gbps
Video Resolutions	Up to 3840x2160@144Hz

Environment

Operating Temperature	0°C - 60°C
Storage Temperature	- 10°C - 70°C
Humidity	0% to 90% non-condensing

Certification

Safety & Emission	RoHS / REACH
Country of Origin	China
